BG Personnel Services Makes Another “Smart Hire”

Hires Megan Garner and Jeff Chapman to join the Denver Team

Denver, CO November 19, 2007 BG Personnel, the leader in staffing and education for the multi-family industry across the nation, has expanded its Denver staff to include Megan Garner, Staffing Operations Manager and Jeff Chapman, Sales Manager.

“Ms. Garner's experience in administration and operations, along with Mr. Chapman's marketing and networking skills make them an invaluable addition to our current internal staff, all of whom have years of industry experience and have been recognized with designations including CAS, CAM, CAMT, NALP and CSP,” states Rick Penn, President and CEO of BG Personnel. He attributes the company’s growing success to its ability to provide the highest quality training and staffing solutions with programs such as SmartHire, a risk-free, 3-tier solution with an unconditional 100% satisfaction guarantee.

Over the past two decades, BG Personnel’s Dallas/Ft. Worth headquarters has grown to include branches in Houston, San Antonio, Austin, and Denver. The company is a proud member of the Texas Apartment Association (TAA) and is active in many chapters throughout the state including AAA, AAGD, AATC, HAA, SAAA. The company is also a member of the Apartment Association of Metro Denver (AAMD) and is supportive of the National Apartment Association. BG Personnel Service’s professional affiliations also include membership in the National Suppliers Council and the American Staffing Association (ASA).

Established in 1987 by Rick and Jan Penn, BG Personnel specializes in the screening, training and placement of apartment industry personnel, such as leasing consultants, property managers, make-ready, porters and maintenance staff. One area that truly sets BG Personnel Services apart from other placement agencies is its commitment to training and education. In addition to the company’s temporary and permanent staffing solutions, payrolling and executive search services, BG Personnel offers Fair Housing training, as well as leasing training for candidates who are new to property management. These training programs are specialized for positions within multi-family property management.
